The beautiful memorial garden at the pond on the grounds of Chapter House already has a few commemorative features honoring the P.E.O. Sisterhood and P.E.O.s from Colorado who have made special contributions to the Colorado P.E.O. Chapter House over the years.

We are now opening the entire memorial garden, especially the renovated foot path around the pond and through the park, for participation in the Chapter House Brick Project.

For a contribution of \$100 or \$150 you can acquire bricks that will be engraved with your name or with the name of any other person, friend, relative, chapter, or other organization that you wish to honor, remember, or memorialize. The project is open to members of the P.E.O. organization as well as to non-members.

The proceeds from this project will financially support the operation of your Colorado P.E.O. Chapter House.

Your brick order will be acknowledged and the time of installation of your brick will be indicated but we will not be able to send photographs. If you so indicate in your order form, we will also notify the individual, family, or organization that you honor with your contribution to the Brick Project. Orders will be accumulated and engraving and installation will take place twice a year, in spring, late summer or early fall. We invite you to come and visit the P.E.O. Chapter House, to tour our facility, the Memorial Garden to locate your brick.

Tax Deductible – Contributions to the Brick Project are tax deductible. **A receipt for tax records will be issued upon request.**

What Kind of Brick Do I Buy?

The bricks chosen for this project are buff-colored flagstone pavers. This type of stone will not break or chip. It will last for many decades.

You may choose from two sizes. For a contribution of **\$100** you can obtain a paver of 6" x 6" or for a contribution of **\$150** a paver of 12" x 6" is supplied.

Each paver will be engraved with black (Helvetica) letters. The smaller paver will have room for 11 characters and/or spaces per line. The larger paver has room for 13 characters and/or spaces per line. **Graphics may not be used.**
