SHARE THE CARE

Share the Care is a fund to provide confidential and dignified assistance for room and board at the Colorado P.E.O. Chapter House to a Colorado P.E.O. who otherwise would face discharge due to depleted financial resources.

The fund was established in June of 1968 by the Colorado P.E.O. Chapter House Board of Trustees. Its goal at that time was to make life at the Colorado P.E.O. Chapter House affordable for sisters who had limited financial resources or who had partially exhausted their financial resources while in residence at the Chapter House. Today its purpose is to help those who fall into the latter category.

How SHARE THE CARE Works

Awards granted to residents needing financial assistance at Chapter House are in the form of monthly reductions of resident fees (paid instead by Share the Care), not monies given directly to them.

How to Qualify for SHARE THE CARE

An application form is available from the Executive Director of the Colorado P.E.O. Chapter House. Following its completion and return by the resident, it is passed on to a Review Committee of P.E.O.s serving on the Chapter House Board of Trustees.

The application and all financial information submitted with it are held in strictest confidence.

SHARE THE CARE Documentation and Grants

With the application the following documents need to be submitted:

- * A copy of the applicant's current Colorado chapter P.E.O. membership card
- * A copy of the most recent federal income tax return
- * Copies of past six (6) months monthly bank statements
- * A copy of monthly expenses

The Review Committee establishes the amount of assistance (grant) to be provided. The amount will be deducted from a resident's monthly resident fee. The application for Share the Care assistance will be reviewed annually on the anniversary of the original approval date.

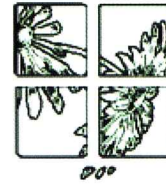

The SHARE THE CARE Fund

The fund is supported through specific donations designated for it and sent to the Colorado P.E.O. Chapter House. It is a separate entity from the Unrestricted Fund, the Board-Designated Fund and the Operating Fund.

The Colorado P.E.O. Marguerite Fund added \$3,000 to the Share the Care Fund in 1980. Since then a lack of awareness has led to a decline in donations and in the fund's balance. There is a need to replenish it.

Individual or P.E.O. chapter donations to the Share the Care fund are needed. B.I.L.s and non-P.E.O.s may donate as well. Donations may be in the form of memorials or honorariums. Bequests are also welcome.

In the event that the estate of a beneficiary of the Share the Care Fund is able to repay the amount of the assistance, or any portion of it, funds will become available to assist other sisters in need who now reside at Chapter House.
